Correction to: Cross-national comparison of psychosocial well-being and diabetes outcomes in adults with type 1 diabetes during the COVID-19 pandemic in US, Brazil, and Iran

Samereh Abdoli^{1*}, Monica S. V. M. Silveira², Mehri Doosti-Irani³, Paulo Fanti², Katherine Miller-Bains⁴, Elizabeth João Pavin⁵, Edimariz Buin Cardoso⁶, Leila Rafee Vardanjani³, Kobra Noorian³ and Danielle Hessler⁷

Correction to: *Diabetol Metab Syndr* (2021) 13: 63
<https://doi.org/10.1186/s13098-021-00681-0>

In this article [1] the author name Kobra Noorian was incorrectly written as Kobra Noorjan. Furthermore, the affiliation details for Leila Rafee Vardanjani were incorrectly given as Department of Family and Community Medicine, University of California, 500 Parnassus Avenue, San Francisco, CA 94117, USA but should have been School of Nursing and Midwifery, Shahrekourd University of Medical Sciences, Shahrekord, Iran. In Fig. 1 of this article, in the last box, the number of participants for Brazil should have appeared as shown below.

The original article has been updated.

Ready to submit your research? Choose BMC and benefit from:

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

At BMC, research is always in progress.
